GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution No. P. 52.

Bombay Castle, 30th May 1933.

Read reports from the Commissioner in Sind, the Commissioners, Northern Division, Central Division and Southern Division on the administration of Local Boards in their respective charges during the year 1931-32.

RESOLUTION.—*Number of Local Boards.*—The number of Local Boards remained the same.

2. *Area and population.*—The increase in the figure of population from 1,67,03,840 to 1,74,50,212 is due to the revised figures of the census of 1931.

3. *Constitution.*—The constitution of the Local Boards remained unchanged.

4. *Elections.*—In Sind and in Northern and Southern Divisions no triennial elections were held during the year under report. General elections were held only in the West Khandesh and Sholapur districts of the Central Division. Their results are shown in the accompanying Appendix A. Taluka Local Board elections in the West Khandesh district were mainly uncontested. But a fair measure of public interest was shown in the District Local Board elections both in West Khandesh and Sholapur. In the former district 58 per cent. of the voters in the non-Muhammadan constituencies and 54 per cent. in the Muhammadan constituency exercised their franchise. In the Sholapur District Local Board election, in the non-Muhammadan constituencies the percentage of votes recorded was 61·5.

5. *Meetings.*—In Sind the Taluka Local Boards of Ubauro and Shahdadpur, in the Northern Division the Taluka Local Board of Shahapur, in the Central Division the Taluka Local Boards of Satara, Wai, Javli, Koregaon, Khatav and Tasgaon, and in the Southern Division the Taluka Local Boards of Badami, Hubli, Haveri, Shiggaon, Kalghatgi, Ranebennur and Hangal failed to comply with the provisions of section 35 (1) of the Bombay Local Boards Act, 1923, regarding the holding of quarterly general meetings. It is satisfactory to note that while the number of meetings held by the several boards has decreased, the attendance has improved and the number of meetings adjourned for want of quorum and for other reasons is less than last year.

6. *Income.*—The aggregate income of the Boards (excluding opening balance and debt) decreased from Rs. 2,04,00,814 to Rs. 1,90,14,609. The principal variations under the main sources of revenue are explained below :—

(*a*) *Local Rates.*—The receipts decreased from Rs. 50,42,264 to Rs. 50,10,469. The decrease occurred in Sind and the Central Division. In Sind the decrease was mainly due to the fact that in the previous year the amount of local fund cess was accounted for twice in the Sukkur District Local Board's accounts. Also in some other districts the apparent decrease was due to large collections of arrears in the preceding year. In the Central Division, the decrease was mainly due to the suspension in one district of the half-anna additional cess and of the ordinary one-anna cess, and in other districts owing to unsatisfactory rainfall and general agricultural depression. The increase in the Northern Division was mainly due to the recovery of local fund cess based on the assessment instead of on the Jama in the case of talukdari lands in the Ahmedabad District as well as to early recovery of land revenue and local fund cess. In the Southern Division, the increase was due to (*i*) the increase in the octroi revenue of Ratnagiri and (*ii*) the collection of the arrears of local fund cess of the preceding year.

(*b*) *Education.*—The receipts decreased from Rs. 1,05,39,577 to Rs. 99,78,797. The decrease was shared by all Divisions and was mainly due to reduced Government grants.

(*c*) *Medical.*—The receipts decreased from Rs. 2,78,434 to Rs. 2,46,670. The decrease occurred in all Divisions, and was due either to diminished grants from Government or to faulty accounting in the previous year.

(*d*) *Civil Works.*—The receipts decreased from Rs. 27,22,918 to Rs. 21,99,731. The decrease occurred in all Divisions and was due to the reduction in Government grants for roads and village water supply.

7. *Expenditure.*—The aggregate expenditure of the boards chargeable to current income decreased from Rs. 2,07,04,602 to Rs. 1,89,79,572. The principal variations under the main heads are explained below :—

(*a*) *Administration.*—The expenditure decreased from Rs. 7,73,857 to Rs. 7,41,629. The decrease was mainly due to retrenchment.

(*b*) *Education.*—The expenditure decreased from Rs. 1,22,35,472 to Rs. 1,17,79,441. The decrease occurred in all Divisions, and was mainly due to retrenchment and economy in expenditure.

(*c*) *Medical.*—The expenditure decreased from Rs. 12,79,028 to Rs. 12,47,414. The decrease occurred in Sind and in the Northern and Central Divisions, and was chiefly due to retrenchment in expenditure. In the Southern Division the increase was due to the expenditure incurred in combating epidemic diseases, and larger expenditure on sanitation and vaccination.

(*d*) *Civil Works.*—The expenditure declined from Rs. 52,50,584 to Rs. 43,11,012. The decrease occurred in all Divisions and was due to diminished expenditure chiefly on communications and water supply consequent on the reduction of Government grants.

8. *Closing balances.*—The aggregate closing balances of all the Boards amounted to Rs. 53,63,368 as against Rs. 51,12,048 in the previous year. The closing balances in the case of most of the Boards were much in excess of the prescribed minima. In a year of general retrenchment, an increase in closing balances was inadvisable. The large balances were due in most cases to the non-completion of the budgetted works and reservation of funds for certain works. The Boards' inability to complete budgetted works during the year indicates a lack of foresight and close budgetting.

9. *Primary Education—Sind.*—The School Boards took great interest in the progress and expansion of Primary Education within their districts, but their activities could not be extended on account of restricted financial resources. No new Primary school was opened in any district during the year under report. Eight Local Board schools were closed in Sukkur District. Five new English classes were attached to Primary Schools in the Sukkur District, one in the Nawabshah District and some in the Karachi District.

The School Board, Sukkur, has established Boys' Co-operative Societies in six schools and opened museums in five schools.

Northern Division.—The Ahmedabad District Local Board persisted in its refusal to take over control of Primary Education. The Kaira District Local Board has recently decided to take over control and will do so from 1st June 1933. The District Local Board, Kaira, closed four schools owing partly to retrenchment and partly to the attendance in them having fallen below the minimum. An Agricultural bias course was introduced in the schools at Muvalia and Ambali in the Panch Mahals District. In the Surat District six more buildings were under construction during the year under the Sir Purshottamdas Thakurdas building scheme ; the total number of buildings erected under that scheme will be 77.

Central Division.—In the Ahmednagar, Poona, Satara and Sholapur Districts the number of schools decreased, but the number of pupils increased. 13 new school buildings were constructed by the Ahmednagar District Local Board during the year. The Satara District Local Board paid special attention to agricultural bias classes, boys' Co-operative Societies, the Boy Scout and Girl Guides' movement and to Visual Instruction and Physical Training. In the East Khandesh District one new school and two new English classes were opened during the year. In the

Nasik District, the number of schools and pupils decreased slightly. In the Bombay Suburban District while the number of local board and aided schools remained the same as in the preceding year, the number of pupils increased. Two new school buildings were constructed during the year, one at Malad and the other at Mahul. The Collector of West Khandesh reports that the management of the School Board leaves much to be desired. Within a year 787 transfers of teachers were made in a cadre of 926 teachers and consequently an expenditure of Rs. 2,265 was incurred on travelling allowance. It is difficult to believe that so many transfers can have been required on strictly administrative grounds, and it is obvious that they must have militated against efficiency. The Director of Public Instruction may be requested to keep a close watch on the administration of this School Board.

Southern Division.—Primary education showed some expansion in this Division. The Kanara Board opened three new schools. The Kolaba Board spent Rs. 10,000 on the opening of new schools. The Belgaum Board increased the number of English classes attached to Primary schools and also encouraged scouting activities. The Ratnagiri Board opened two industrial schools, which were financed from a portion of the Board's octroi revenue.

10. *Medical and Public Health—Northern Division.*—There was an epidemic of cholera in some parts of the Panch Mahals, Surat and Thana districts. It assumed a virulent form in the Thana District. Special Medical Officers were appointed in the Panch Mahals and Surat districts to combat the disease. A few villages in the Surat District were also affected by plague. One temporary dispensary was opened at Morva in the Panch Mahals District, and it is reported to be working satisfactorily.

Sind.—Malaria, as usual, was rampant in Larkana. Quinine was distributed in large quantities. A few sporadic cases of cholera also occurred in that district, and prompt measures were taken by the Board to check its spread. The Board sanctioned several scholarships for the training of local women in midwifery. By way of health propaganda magic lantern lectures were organised and leaflets on various subjects were distributed throughout the Larkana District.

Central Division.—There was a cholera epidemic in Ahmednagar, East Khandesh, West Khandesh, Nasik and Satara. Also there was plague and small-pox in Satara. Prompt measures were taken by the Boards concerned to combat the epidemics. The number of dispensaries in the Bombay Suburban District increased from 5 to 6 by the opening of a charitable dispensary at Mulund, for which a donation of Rs. 15,000 was received by the Board from one Mr. Kanji Jadhavji. The Satara District Local Board appointed a nurse for training dais in order to supplement the work of the Lady Wilson Village Maternity Association. The Board has also resolved to open 56 medical relief centres by supplying to each of them a medicine chest containing drugs principally on the Ayurvedic and Unani systems. The District Local Board is the first board to take over the control of the vaccination staff under the conditions laid down by Government recently. The Poona District Local Board closed down its Ayurvedic First-aid Posts as a measure of retrenchment, though in the preceding year the President had reported that these posts were popular.

Southern Division.—Plague and cholera broke out in all the districts, except Ratnagiri. Small-pox was prevalent in some parts of Kanara District. Prompt and adequate measures were taken by the Boards to combat the spread of the epidemics. The Belgaum District Local Board employed an additional medical staff and subsidized private practitioners for doing plague and cholera inoculations. The Dharwar Local Board engaged six additional medical officers and organised an inoculation campaign against plague and distributed large quantities of potassium permanganate, cholera pills, phenyle and Tomb's mixture. The Kanara, Kolaba and Bijapur Boards engaged the services of special Medical Officers. The Ratnagiri Board opened twelve Medical centres in rural areas.

11. *Veterinary dispensaries.*—There was no change in the number of veterinary dispensaries maintained in Sind and the Northern and the Southern Divisions. In the Central Division, there was an increase of one dispensary, viz. in Nasik. The Bombay Suburban District has no veterinary dispensary.

12. *Civil Works.*—The following table shows the Government grants paid to the boards and the amounts spent by them from the Government grants and their own funds on local public works :—

Division.	Amount of Government grants.	Amount spent from the year's Government grants and unspent Government grants of previous years.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Northern Division	2,19,000	2,21,557	2,90,374
Sind	2,15,000	2,15,000	1,42,164
Central Division (including Bombay Suburban District)	3,66,000	3,96,111	2,23,759
Southern Division	2,39,000	2,46,931	4,00,465

From the above it will be observed that the majority of local boards in Northern and Southern Divisions spent larger amounts from their own funds on local public works than they received from Government, while those in Sind and the Central Division spent much less, in spite of the fact that, as observed in the earlier part of this review, most of the Boards held large balances. No doubt the curtailment of Government grants has restricted the power of boards to improve the roads in their charge, but it is incumbent on them to make the utmost use of available funds.

13. *Village Water Supply.*—The following table shows the Government grants to the Boards and the amounts spent by them from Government grants and their own funds for the improvement of village water supply :—

Division.	Amount of Government grants.	Amount spent from Government grants and unspent Government grants of previous years.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Northern Division	40,000	32,806	1,37,977
Sind	15,000	11,786	12,097
Central Division (including Bombay Suburban District)	24,229	24,134	22,852
Southern Division	20,000	23,340	43,046

It is regrettable to note that the Boards in Northern Division and Sind did not utilise during the year the full amounts of the grants placed at their disposal. It is, however, satisfactory that the Boards in Northern Division and Southern Division spent large sums from their own funds. It is hoped that the Boards in Central Division will follow their example. In the Northern Division, the grants were spent by the Boards in constructing new wells and in carrying out repairs to the existing means of water supply. In Sind 28 new wells were constructed, and in addition to these nine tube wells were sunk in Karachi, Sukkur, Larkana and Upper Sind Frontier districts.

14. *Works Committees, Standing Committees, Budget Committees etc.*—All the Boards in the Northern Division, except Ahmedabad and Kaira, appointed Works Committees to inspect works in progress. The District Local Boards of Thana and Broach also appointed special committees, viz. Public Health and Village Panchayat Committees.

In Sind no Works Committees were appointed by the Larkana, Thar Parkar and Sukkur District Local Boards.

In the Central Division the Taluka Local Boards of Sakri (West Khandesh) and Indapur (Poona) failed to appoint Standing Committees as required by section 36 (1) of the Bombay Local Boards Act, 1923. The Boards concerned should, in future, strictly comply with the provisions of the Act as directed by the Commissioner. A number of committees were appointed by the District Local Boards in the Central Division.

In the Southern Division only the District Local Board, Bijapur, and the Taluka Local Boards in that district appointed Works Committees. Budget Committees were appointed by the District Local Boards of Belgaum, Bijapur and Dharwar. The Standing Committee of the Yellapur Taluka Local Board did not function and its work was done by the general board itself.

15. *Village Panchayats and Village Sanitary Committees.*—There are no Village Panchayats in Sind. The number of Sanitary Committees in Sind remained the same.

In the Northern Division, the number of Village Panchayats increased from 55 to 58, while the number of Sanitary Committees decreased from 44 to 43. No appreciable improvements are reported in their administration. It is noteworthy that the District Local Board, Broach, resolved to grant to the Village Panchayats in the district 25 per cent. of the local fund cess recovered during the year within their respective areas. The Village Panchayat at Degam in the Surat District began to function again during the year after a new village patel was appointed.

In the Central Division, the total number of Village Panchayats fell from 129 to 126, while the number of Sanitary Committees increased by 3. Some Village Panchayats had to be abolished because no candidates came forward for election.

In the Southern Division, the number of Village Panchayats decreased from 72 to 68.

The working of the Village Panchayats during the year under report is generally reported to be very unsatisfactory. Several of the Village Panchayats exist only in name and are in a moribund condition, owing to the apathy of the villagers, the want of adequate funds, the unwillingness of the villagers to tax themselves, and also in some cases to party factions. However, Government are glad to note that there were a few panchayats which worked well and made satisfactory progress, especially some in the Poona and Satara districts, and the larger ones in the East Khandesh District. In the Satara District the District Local Board has introduced a village uplift system with the object of increasing the utility of the panchayats, and the results are being watched with interest. The larger Village Panchayats in East Khandesh did not confine their activities merely to the provision of lighting and street sweeping but also undertook the repairing of roads and improvement of gutters and water supply. It is hoped that with the passing of the new Village Panchayats Act, which will give the village panchayats greater latitude in levying taxes, larger powers, and 25 per cent. of the local fund cess recovered in their respective areas, the present apathy will disappear and their administration will definitely improve.

16. *Audit of Accounts.*—The accounts of the Local Boards for the year 1930–31 were, as usual, audited by the Local Audit Department. The Examiner has remarked in the annual report for that year that the number of cases of dishonesty and fraud on the part of the staff of the local boards was not small, and the action taken by the local bodies was as usual entirely inadequate.

In Sind, the District Local Board, Hyderabad, has left considerable arrears of wheel tax and lease money of fishery farms unrecovered for a long time, and the result is that a sum of Rs. 707 out of Rs. 1,122 on account of wheel tax is now irrecoverable and suits have had to be filed against the defaulters for the recovery of an amount of Rs. 58,765 on account of the fishery dues. Some of the Taluka Local Boards in the Nawabshah District have neither maintained the prescribed registers nor observed certain rules of the Local Boards Account Code. Government, however, note with satisfaction that no irregularities were detected by the Audit Department in the accounts of the Taluka Local Boards, Jacobabad, Shahdadkot and Kandhkot. In the Northern Division, Central Division and Southern Division (with a few exceptions) the accounts are reported to have been fairly well maintained. The accounts of the Kolaba District Local Board are reported to have been very efficiently prepared.

In addition to the common irregularities revealed by audit, e.g. (1) rush of expenditure in March, (2) negligence in recording measurements, (3) want of completion certificates of works, (4) payment of travelling allowance in excess of that admissible under the rules, (5) absence of, and deviations from, sanctioned estimates and budget provision of works under execution, (6) slackness of supervision, (7) buying of materials in excess of requirements, (8) use of Local

Board materials by contractors without charges for hire and (9) late remittances of cattle pound receipts, the following were some of the serious irregularities detected by the auditors :—

Northern Division.

(*a*) A clerk of the Taluka Local Board, Mehmedabad, duped the President of the Board, who did not know English, by preparing bills on his behalf, amounting to Rs. 15-14-0 for journeys which were not actually performed by him. The services of the clerk were dispensed with, and suitable steps were taken at the suggestion of the Examiner to prevent in future such abuses.

(*b*) The overseer of the Taluka Local Board, Dohad, prepared two false musters for the work of deepening the well in the compound of the Taluka Local Board Office, the payment for which had already been made. The pay of the overseer was only reduced by the Board, and the President of the Taluka Local Board who certified the payment was cautioned to exercise greater vigilance in such matters.

Sind.

(*a*) An alleged embezzlement of Rs. 928-3-2 committed by a Munshi of the Taluka Local Board, Samaro, came to light during the year, and he was prosecuted; the result of the trial in the Sessions Court is awaited.

(*b*) A clerk of the Taluka Local Board, Larkana, misappropriated Local Board receipts to the extent of Rs. 1,894-13-0. He was convicted and sentenced to undergo rigorous imprisonment for 9 months and to pay a fine of Rs. 200. Out of the amount misappropriated by him Rs. 1,759-13-0 have been recovered from him. Another clerk of the Dadu Taluka Local Board is alleged to have forged a cheque in favour of a Local Board contractor, and he was prosecuted; the result of the trial by the Sessions Court is awaited.

(*c*) An overseer of the District Local Board, Larkana, committed defalcation of the sale proceeds of trees, etc., for which his services were dispensed with.

Central Division.

East Khandesh.—Several instances of preparation of false bills by an overseer were brought to light but no action beyond asking the President to hold an enquiry was taken by the Board. In the opinion of Government there is ample scope for improvement in the accounts of this Board and closer supervision over the work of its subordinates is necessary.

Nasik.—A clerk in the Engineer's office misappropriated a sum of Rs. 45 by debiting it to petty cash book in his own name. He made good the amount as soon as the fraud was detected. The clerk has been transferred and his increment stopped.

17. *General Remarks—Northern Division.*—On the whole the administration and financial condition of the Local Boards was satisfactory during the year. Government note with satisfaction that the Boards generally kept aloof from participating in the Civil Disobedience movement. As public opinion against untouchability strengthens and extends, it is hoped that the efforts of the Boards in providing equal facilities for the depressed classes in regard to the use of public buildings, wells, schools etc., will meet with further success. The President, District Local Board, Thana, the Chairman of the Public Works Committee, the Chief Officer and the Engineer made an extensive tour to look into the working of the Taluka Local Boards of the District and brought to the notice of their President irregularities of various kinds and made suggestions for improving their working.

Sind.—The administration of the Local Boards in Sind continued to be satisfactory. The condition of roads however left much to be desired. All the District Local Boards, except Hyderabad and Upper Sind Frontier, have now qualified Engineers in their service. It has, therefore, been suggested to the boards that they should hold a test examination for their subordinate overseer staff who have less than 10 years service under the supervision of the Public Works

Department Engineers and on failure to pass the test after two attempts their services should be dispensed with, and that they should replace the unqualified staff by holders of the diploma of the Nadirshaw Edulji Dinshaw College, Karachi. A noticeable feature in the reduction in expenditure by District Local Boards by Rs. 5½ lakhs is that civil works alone have recorded a reduction of Rs. 3 lakhs, including Rs. 2½ lakhs under communications. It is very unsatisfactory that about half of the savings effected should have been from the head "Communications", one of the most important responsibilities of the Boards. It is regretted that party factions and communal friction are still only too prevalent.

Central Division.—The administration of all District Local Boards was on the whole satisfactory. It is reported that the Boards are making efforts to provide adequate facilities for the depressed classes in the use of public schools, wells and dharamshalas. It is gratifying to note that the West Khandesh Board has resolved to put up notice boards beside its wells declaring them open to all members of the public without exception.

Southern Division.—The administration of the Boards was on the whole satisfactory. The Boards in general have discharged their obligations towards the ratepayers fairly well. But the continuance of accumulated balances shows that there is considerable room for improvement. The Boards are alive to the fact that fresh sources of local revenue should be explored if rural sanitation, education and medical relief are to be extended, and the majority of the Boards have done their best to increase local taxation. The important event of the year in the administration of the Kolaba District Local Board was the completion of the Sakhar bridge. This work was financed partly by Government and partly from loans raised by the Board.

18. *General Review.*—The reviews of the Commissioners were as usual received later than the prescribed date, viz. 1st October, the last being received on 6th January 1933. Government would once more impress on all concerned the importance of punctual submission of the reports and returns by the due dates.

Last year Government were constrained to remark that the working of certain boards was seriously affected by the Civil Disobedience movement. Government, therefore, are pleased to note that during the year under review the boards have held themselves aloof from politics and have concentrated on their legitimate functions. In spite of the adverse financial circumstances the Boards have succeeded on the whole in rendering a good account of themselves.

It appears that the Local Fund Audit Act is having the desired salutary effect in checking serious abuses. There is still, however, great need of stricter supervision by the executive. In some cases communal and party feelings have been permitted to reach a pitch which reacts on the efficiency of the administration.

The financial position of the boards has been appreciably affected by the general depression, fall in prices and the reduction of Government grants, and has led to a curtailment of expenditure. Many boards rely too much on Government grants. But Government's resources are limited, and, they cannot guarantee to continue their grants at the same rates as hitherto. The boards will have therefore to make greater efforts to husband their resources, and to tap all the available sources of revenue. Government would specially commend to them the introduction of the Trades and Profession tax, for which model rules and by-laws have recently been issued.

The working of the Village Panchayats was deplorable. But Government hope that with the passing of the new Village Panchayats Act the existing Village Panchayats will make a fresh start and that more Village Panchayats will be established. If a larger number of Village Panchayats are established hereafter and they work as efficiently as they are expected to, it may be possible to eliminate Taluka Local Boards. But the question whether they should be abolished or not is an open one and will be considered by Government in due course.

Government have after long and careful consideration passed the Weights and Measures Act for the proper regulation of the weights and measures in use in this Presidency. At the outset it is expected that this Act will be applied in urban areas, but it is hoped that before long Local Boards will be in a position to ask for its extension to rural areas also.

Government have now given the District Local Boards an opportunity to take over control of the vaccination staff subject to certain conditions. So far only one board has come forward and taken over control.

19. Government note with satisfaction the testimony given by the Commissioners and Collectors to the excellent work done by several Presidents, Vice-Presidents and officers of the District Local Boards.

20. Copies of the Resolution should be submitted to the Secretary of State and the Government of India and should be forwarded to all the Commissioners, Collectors, Director of Public Instruction and other officers and Departments concerned.

By order of the Government of Bombay
(Transferred Departments),

J. B. FERNANDES,
Under Secretary to Government.

G. R. No. P. 52, G. D., dated the 30th May 1933.
